All prices are net prices, to which **VAT 23%** should be added.

It is possible to **apply the 8% VAT** rate to the Air Conditioner Installation service if 2 conditions are met:

- there is no commercial activity in the premises concerned;
- the area of the premises is less than 150 m<sup>2</sup> for flats in multi-family buildings or is less than 300 m<sup>2</sup> for single-family buildings.

For other services or the purchase of an air conditioner without installation, there is no possibility to apply the reduced VAT rate.

Possible payment methods:

- by payment card (the team has a payment terminal and a cash register);
- in cash;
- by bank transfer.

We issue either a receipt or a VAT invoice.
